CERTIFICATION

In requesting these funds in accordance with the construction loan agreement on the above property, I certify the following:

- A. That all development to date is in full accordance with approved plans and will meet requirements of any and all government bodies or units having jurisdiction.
- B. That I and/or my company is not in default and the amount disbursed and any funds remaining undisbursed under this loan will be sufficient to complete the construction and pay all costs, charges and expenses involved therein.
- C. That full payment has been made on all work, materials, equipment or furnishings that prior funds have been advanced for payment and there are no bills for any such items which are overdue and unpaid.
- D. That all work for which any bills have been submitted for payment or reimbursement, is in place and completed in a workmanlike manner.

I hereby certify to the above.
